lightweight travel canopy cover

Em: kregg@balancemyprop.com

Fly-Away Covers are formfitting, inexpensive, lightweight travel canopy covers. They are great for day trips, cross country excursions, and fly-ins to keep your windshield clean, your cabin cool and the sun off of your panel and upholstery.

Fly-Away Covers weigh 2 – 3.5 lbs. Installation is easy as the *Fly-Away Cover* can be installed forwards or backwards. Simply synch the adjustable straps as tightly as possible and walk away. *Fly-Away Covers* are compact and can easily fit in any plane.
